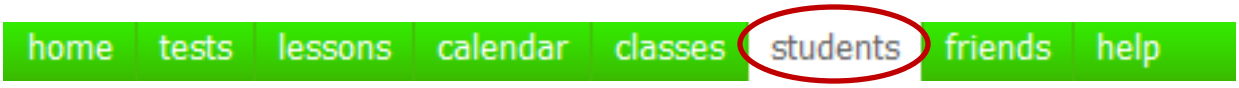
Smart Core Reports for Students

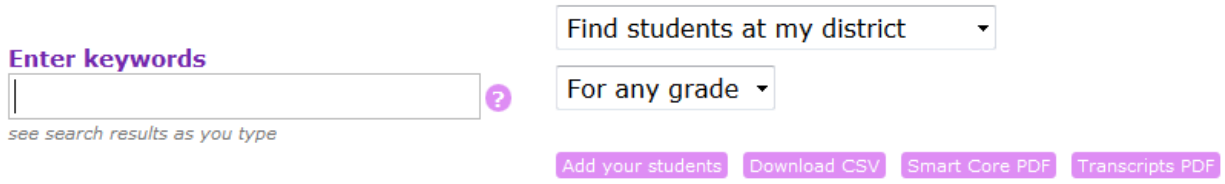
Triand allows users to print Smart Core letters for their students in order for students and/or parents to view their individual Smart Core Report.

Triand Users

When you log in to Triand, click on the "students" tab.



Choose the filter that meets your role – teacher, school-level, or district-level – to view a list of your students. Leave the keywords box blank if you wish to print a Smart Core letter for each student; search for a specific students by name if you wish to print a letter for an individual student; or key "**#enrolled:1**" in the keywords box to produce a list of only actively enrolled students.



Click the "Smart Core PDF" button to generate an Adobe PDF file.

Note: Each letter will be customized with a student's name and personal authorization code to be used.

Last updated: February 12, 2016

Print the PDF file and hand the appropriate letter to your students.

The sample letter below is an example student who attends school at the "Arkansas Department of Education" district.
