Delete Assessment Update Progress

- Users can enter the data directly onto the template. Once finished, users can save by selecting "Update Progress".
- Once scores have been entered, the "+" icon will change to an "ASIS" icon, indicating scores have been entered into the ASIS template:

AIP			Local Assessments	SAR
Math	Science	ELA		
N	+ N	N	ASIS	Generate Report
N	+ N	N	ASIS	Generate Report
C	+ N	N	ASIS	Generate Report
N	+ N	N	ASIS	Generate Report

- If the user has entered Local Assessment data into StudentGPS, the information can be imported into ASIS by selecting "Import Scores from StudentGPS":

[Import scores from StudentGPS](#)

- Click "OK"

OK

- The scores entered into StudentGPS will then be displayed on the ASIS Local Assessment template. The "+" icon will change to a "SGPS" icon, indicating the scores were imported from StudentGPS:

AIP			Local Assessments	SAR
Math ↕	Science ↕	ELA ↕		
N	N	N	+	Generate Report
C	N	N	SGPS	Generate Report
C	N	N	+	Generate Report
C	N	N	+	Generate Report
N	N	N	SGPS	Generate Report

- As Local Assessments are given throughout the school year, new scores entered into StudentGPS will continue to populate in ASIS.
