[View: AR_V_EC_GEN_INFO](#)

A "view" is a stored query. It gets data from tables, and is then referenced in other queries like it was a table.

The Special Education Early Childhood table uses the view "AR_V_EC_GEN_INFO". Values for the view come from the eSchool table **REG_USER**, column **FIELD_VALUE**, where **SCREEN_NUMBER = 5000** and **FIELD_NUMBER** values are as indicated in the table below.

Column ID	Element	Column Name	View Column	FIELD NUMBER
