- School employees who have a need to know;
- Other schools to which a student is transferring;
- Certain government officials in order to carry out lawful functions;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for the school;
- Accrediting organizations;
- Individuals who have obtained court orders or subpoenas;
- Persons who need to know in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law.

Other state laws may apply depending upon your situation. You are required to follow all federal, state and local laws pertaining to student confidentiality. Upon your agreement below, the current school of residence for *****, ***** will be notified of your request for this transcript.
